SOCIAL . REGISTER . ASSOCIATION,
BOWLING GREEN, 29 BROADWAY, NEW YORK CITY.

Copyright 1920 by THE SOCIAL REGISTER ASSOCIATION.

Social Registers of each city are issued in November and their accuracy is maintained throughout the year by means of *Dilatary Domiciles* in December, January, February and April; and by the Summer Social Register, in July, with country and foreign addresses of all the cities combined.

They record the full names and addresses of members of prominent families grouped together, the clubs to which they belong, and the marriage and death of each person as it may occur.

Names of Juniors { *M^{rs}* 12 to 17 } appear under the names of
 { *M^{rs}* 14 to 20 } older members of their families.

The *Locator* cataloguing in one alphabetical order every name in all the Social Registers with the family's head under which it may be found and the city in which the name appears, is essential, owing to the many inter-marriages among families in the various cities and constant changes from one city to another. Reference to the *Locator* shows at once under what city to look for any desired name and there all required information may be gleaned.

The names of *M^{arried} Widows* who have married into families of other cities appear among the *M^{arried} Widows* of their former city with their present married name and the city of their residence in italics.

The subscription is \$6.00 per annum for each city.

A subscription of \$40.00 will include all the issues for New York, Washington, Philadelphia, Chicago, Boston, Providence, St. Louis, Pittsburgh, Cleveland & Cincinnati & Dayton, St. Paul & Minneapolis, San Francisco & Oakland, Seattle & Portland, Southern California, Baltimore, Buffalo, Detroit, New Orleans, and Southern Cities from Richmond to Atlanta and the *Locator*.

For \$9.00 the *Locator* is included with the year's subscription for any one city.

To insure the finding of a name in the Social Register look for it first in the Locator.

*A star * indicates honorable discharge from Service in the late war.*

Families not appearing in this Summer issue will be found at the address given in previous issues.

D^{ilatory}_{omiciles} under front cover of this book should be consulted first for all changes. If the name be not found there, it is correct in the main book.
